To all at Dale Streiman & Kurz;

All of us at the Ste. Louise Outreach Centre of Peel Food Bank would like to extend our warmest thanks and appreciation to you for your wonderful food donations. We are very grateful for your kindness and your generosity towards our Center. You are a perfect example of how one company can really make a difference in another families life. Thank you for taking part in helping us to alleviate hunger in our community.

Every donation truly helps our food bank support the families who depend on us. We have long since exceeded 1500+ families registered at our Center. The demand in the community just continues to grow. Our challenges are increased with each passing day. How we would ever survive without help from such caring individuals like all of you, we don't know.

Approximately 250-400 families are using our services each month, most of these families have several small children. We also help people who were forced out of their homes from fires and loss of income. They start over from scratch and really need our help. We also do food sharing to help support other food banks and work with several school breakfast programs.without ongoing community support these things would not be taking place and we would not be able to continue our work.

Our Center is operated for families who come from all over Brampton, Caledon & Malton who seek assistance. Thank you so much for thinking of our center and all of these families who have come to depend on it.

May you and your families be blessed with peace and good health throughout the new year.
Sincerely,

Catherine Rivera,
Board President
